

2020 Volunteer Income Tax Clinics

There will be a different approach taken to the income tax clinic this year.

We will be doing a drop off service.

In front of the FCSS building at 5006 52 Ave, there will be plastic envelopes, the required forms, and a drop box.

We ask that you please take a plastic envelope, fill out the forms provided, insert the forms and the related documents (i.e t4s, receipts, etc.) and place the envelope with required documents in the drop box.

Please ensure that your contact number is clearly stated.
